

Reduce downtime. Recover faster.

It's hard to predict the unpredictable. But Verizon Wireless Business Continuity Solutions are here to help keep your business running when disaster strikes.

Receive up to

\$ **100**

Business Incentive Credit (BIC) when you purchase and activate an eligible router.

\$5-\$10 price plans are eligible for a \$50 BIC; \$10.01 and up are eligible for a \$100 BIC. New 2yr activation on \$10+ price plans required. Can't be combined with other offers. Eligible devices include: Digi, Novatel / Feeney, Fortinet, MultiTech, Opengear, Accelerated, Aerohive, Encore, Cisco, Cradlepoint, Sierra Wireless 4G embedded router. Offer expires June 30, 2017.

Stay up and running.

Help ensure minimal downtime and rapid recovery with an automatic (failover) backup connection to keep critical, revenue-generating tasks operational.

Protect your customer experience.

Avoid interruptions in connectivity to maintain customer service level commitments.

The Verizon difference.

When your landline network goes down, you want the seamless connectivity provided by America's largest and most reliable 4G LTE network, a 700 Mhz spectrum for better in-building penetration and the increased 4G LTE bandwidth provided by Verizon XLTE in cities nationwide.
